

COVID-19 Statement

To our customers,

The latest government forecasts make clear that we will not be able to re-open for at least 3 more weeks at the earliest as this is later than we had originally hoped. I have made the decision to re-open our doors on Monday 1st June and this will allow our customers to plan ahead so they will be ready for us to fit their new flooring and only then we will put measures in place to ensure your health and safety along with our staff. This will be disappointing for you, as it is for us. We had planned to build a new showroom which is now on hold until all this is over, and again we will keep you updated on the progress.

In the meantime, we will continue to answer calls, reply to emails and cost for any new jobs where we can without having to do a site visit (Drawings only at this present time) so we can start to lay down the foundations and be prepared for when we return back to work, we will continue to keep you updated—through our website, newsletters, and social media.

I have outlined the contact details you need during these times while our offices/warehouse are closed:

E: info@versatilewood.co.uk

T: 01277 203 855

We look forward to seeing you once this very strange period is over and what has been handed down to us in these unprecedented times.

Stay safe and well

Versatile flooring

Ozan Kazali
